Meet our fox family: we now have two silver foxes and two red foxes! The above picture shows our plans for their permanent habitat within our park. To build a new home for the foxes, it will cost approximately \$10,000. We will be hosting our second annual S.A.B.L.E. Fundraiser, where proceeds will go toward the care of our animals and creating quality habitats. If you are interested in making a donation, please stop by and learn more information! We do have different perks for donations towards our animals to show our appreciation to your commitment.

### You're Invited to S.A.B.L.E.'s Fundraising Banquet!

Cissy, our Black Bear, has now been at our park for one year! This picture was taken on June 22nd. Cissy has climbed her tree house twice now since moving to Aikman Wildlife Adventure! She enjoys swimming and eating. She is very spoiled and can only eat her oranges once she has peeled the rinds off! Are you a picky eater like Cissy?
